Principal's Message

Reflecting on the time since Christmas Break has brought to mind some wonderful moments at LSS. We finished up 2010 with a bang at our infamous Christmas Assembly on the final day before the break. What a show our teachers put on for the students! Of particular note, the "Ground Shakers" once again brought the house down. In January, we held our Talent Show and our Evening of Dance. I had the opportunity to attend both events and was amazed at the talent and the courage of our students. I am particularly impressed with the student choreography skills demonstrated at the Evening of Dance. It truly shows why our dance program is not only about teaching students how to dance. It goes so much further in terms of creativity, voice, leadership and commitment. We moved quickly into final exams near the end of January, and are now awaiting the results from the provincial exams. On January 27, all of the grade 7 and 8 students from HD Stafford Middle School visited and we put on our annual event "Taste of LSS" which introduced them to the staff, the students and the building. The grade sevens and eights had a great time and we look forward to more bridging activities for these students.

A sad memory for me was saying "so long" to Mr. Jack Colman who has been extremely influential in bringing two schools together and building a culture of learning at LSS. Mr. Colman retired at the end of first semester. He taught Social Studies and ran our Homework Club at the school. In addition, he organized all of the talent shows. What a positive impact he had on a daily basis in our school community. We will miss him dearly but wish him well on the next chapter of his life!

We celebrated in a very special way on Valentine's Day. The leadership class ensured that there was a heart for every student and staff member stuck to the main foyer walls first thing Monday morning. On the back of each beautiful heart, was a positive comment about that person. These comments were solicited from teachers who knew the students well. It was wonderful to see the students' faces as they found their special heart and then turned it over to see what was said about them. They were also given "treats" since the day was re-named "Sweetheart Day" ... a "sweet" and a "heart" for every student and staff person.

On February 15, parents and grade 12 students united to put on the Grad Fashion Show to raise money for the Dry Grad event. It was a very enjoyable evening and the grads absolutely shone. Not only did they look beautiful, but they sang and danced beautifully. What a great group of graduates!

*February is course planning month as we begin planning for the next school year. It is vital that parents be involved in the decision-making with regards to student course selection. **On February 23, we will host a very important informational meeting in the evening on course planning for parents and students.** In addition, there will be an Open House at the school so that parents and students can seek out additional information on any courses they are interested in. The informational session will begin at 7:30 pm in the small gym and will cover graduation requirements and information necessary to make course selections that set students up for success during their high school years and following graduation.*

Sincerely,

*D. Tomlinson,
Principal*

RECYCLE TO HELP OUR PLANET & OUR SCHOOL

Your used inkjet cartridges, laser cartridges, old video games and consoles, digital cameras, laptops, DVDs, iPods, PDAs, GPS Devices and cell phones can get a new life, rather than go into the landfill. Donations can be dropped off in the choral room, room 123 before and after school, or in the box in the front office.

We can recycle the following cartridges:

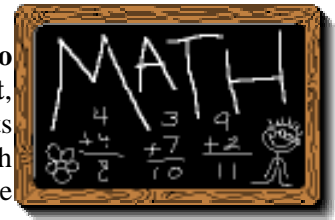

Inkjet Cartridges: Apple, Canon, Dell, Hasler, HP, Lexmark, Neopost, Microboards, and Sharp
Laser Cartridges: Apple, Brother, Canon, Dell, Elite, HP, IBM, Konica, Lexmark, Muratec, NEC, Okidata, Omnifax, Panasonic, Pitney Bowes, QMS, Ricoh, Samsung, Sharp, Toshiba, and Xerox

Home Economics News

The Home Economics Department would like to thank *Alberto Sanfrancisco*, an LSS Parent, for organizing a donation of thread for the Textiles classes. Mr. Sanfrancisco works at FitzWright Company in Langley and was able to obtain a large amount of thread for students to use on their projects.

2011 SEMESTER 2 MATH TEACHER HELP SCHEDULE:

LSS Math teachers are available to their students outside of class hours. Students who require extra math help should always seek it from their own math teacher first, preferably by appointment. If their teacher is not available at a given time, students may ask other math teachers for help. Please use the schedule below to see which teachers have made themselves available as a “second choice”, and when and where they can be found.

“WHO TO GO TO FOR HELP”

Mr. Rogers' Sweater Drive (January Edition)

What does a school secretary do when she's not answering the phone, helping staff, or filing report cards? Why of course, she's giving out food and clothing to residents of Vancouver's downtown eastside. Mrs. McLardy once again gave up her evening to help Mrs. Turner and students give out clothing and food on Thursday, January 13th. Mrs. McLardy has volunteered her time for many years, washing non-claimed lost and found clothes, bagging them and then distributing them to those in need. LSS students were once again able representatives of our school and exemplary examples of the ideals of TV personality Fred Rogers who stressed that everyone needs help at one time or another, and it's easy to be a good neighbour. Reactions from the students after their downtown experience were one of surprise. They were surprised that people of all ages and persuasions would politely stand in line for such a long time, and surprised that there were so many people who needed the assistance.

LSS Philosophy 12 Class Tours the Westminster Abbey

On Tuesday February 15, the LSS Philosophy 12 class travelled to the renowned Westminster Abbey in Mission, B.C. The facility is operated and maintained by Benedictine Monks who live at the monastery year round as priests in training, or as lifelong resident monks.

Resident Oblate Director Father Mark Dumont, who studied English and Philosophy at Oxford University, has been at the monastery for over 40 years. He was gracious with his time and took us through a tour of the guesthouse and chapel.

What students said:

“Insightful - a revelation to us who wonder what it is like to live in such a simple and ancient way.” – *Dylan Sim*

“A tranquil and sublime atmosphere” – *Domenic Rigeaux*

“Enlightening Architecture: the stained glass itself was complex enough to inspire anyone” – *Yuka Hopkins*

To have the chance to study the environment of ancient philosophers such as St. Augustine and Thomas Aquinas was well worth the trip – and the views will keep us inspired for some time!
