Principal's Message

March was a busy month working with students and families to assist them in making good choices with regards to course planning for next year – choices that maximize their future options. The counselors have worked diligently with students and their requests are now in the system. We will begin to build a timetable for next year that will allow the majority of students to have their course requests fulfilled. Our goal is to, once again, have a timetable in each student's hands by the last day of school in June.

This spring will bring many fun and exciting events to Langley Secondary. The graduates are gearing up for the final events of the year. The Grad Council is organizing another Movie Night, a Grad Pride Earth Day cleanup around LSS, another grad auction, a car wash, and various other fundraisers. You will find an information page within this newsletter that outlines all of the information for the grads of 2011 with regards to the Graduation Ceremony and the Graduation Dinner and Dance. The Dry Grad Parent Committee has worked very hard in their fundraising efforts and they have now raised \$17,000 of their \$25,000 goal. Many thanks to the parents involved in the organization of these fundraising efforts. The monies raised go towards a Dry Grad event that happens immediately following the Grad Dinner and Dance. This year's event includes a river rafting trip with a stop over at Castle Fun Park. Well over 100 grads are already signed up for this event.

Our musical theatre production "For Old Times Sake" finished its run in March to sold out audiences! It was a fabulous production that served to showcase so many of our talented students in the areas of singing, dancing and acting. There were some very special moments, and of course, the final evening was filled with emotion for the grade twelve students who were celebrating and saying their final farewell to LSS audiences.

The wrestling team finished out their season with 3 of our students making it to the provincial championships: Emily MacLean, Dakota Vegh and Maddie Millsip represented LSS in Abbotsford and Maddie came away with a 5th place in the province. Maddie moved on to the Nationals and placed 6th in Canada! Many thanks to our wrestling coaches who are teachers in other schools in the district. Mr. Munsie, Mr. Kroeker and Ms. Haugland provided our wrestlers with the training and time that our students needed to make it to this level. They are much appreciated!

Our senior girls soccer team is up and running and is doing very well under the coaching expertise of Ms. Clarke. The senior boys' soccer team is gearing up to compete in the provincial championships in May. They are currently ranked #1 in the province, but will need to work hard to defend this placing! We wish both teams the best of luck as they finish out their season.

Congratulations to Austin Beer, who represented LSS at the Gymnastics Provincials. Our one-person team placed 7th all around, with a 8th on Bars, 7th on Beam, and 4th on Floor! Special thanks to Ms. Erickson who shared her time and expertise with Austin during the gymnastics season.

Congratulations to Gabrielle Starr who received the Violet Richardson Award 2011 for her volunteer work at the school and in the Langley community. Congratulations as well to Desiree Wallace who was honoured at the Langley Township Awards Evening last week. She was nominated for the Pete Swensson Award for her accomplishments academically, athletically and for her contributions to the community. These are just two shining examples of our Grad Class of 2011!

This month, our band students will be touring the elementary students introducing the students to the experience of playing instruments in a school band. Not only will they be performing for the students, but they will be allowing the students to try out instruments. This is a fabulous opportunity for our LSS family of schools to connect with each other. The elementary and middle school students love the opportunity to connect with the high school students. Our band students are wonderful ambassadors! In addition, our senior band has received yet another invitation to Music Fest Canada as a result of their performances in festivals. Our junior concert band recently won Silver at the Chilliwack Music Festival. Our music students are very committed and talented individuals!

We currently have a number of LSS students travelling to HD Stafford Middle School and Blacklock Elementary to work as mentors to the younger students. They are very excited about being mentors and we are proud of their commitment to the students in the LSS Family of Schools. Our anti bullying team is taking their message in the form of workshop presentations to our elementary schools. These are all wonderful ambassadorship and leadership opportunities for our students. We are making strong connections throughout the LSS Family of Schools.

Three very important staff teams have been formed this past month with enthusiastic and knowledgeable teachers and Special Education Assistants working on them. The three teams include a School Culture Team, a Transitions Team and an Assessment Team. The School Culture team is working on ideas to improve the school culture and spirit. The Transitions Team is working on improving transitions grade-to-grade (pass rates), transitions from middle to secondary school, and transitions to post secondary. The Assessment Team is working on exploring and sharing sound, consistent and fair assessment strategies with their colleagues. These teams were formed in response to the desire to continually improve our school.

You may have noticed a bit of “sprucing up” being done around LSS. The painters have been here for the past few weeks. The large gym has been repainted and the school name, logo and mission statement have been painted on the upper wall. The painters have been working on the art wing and PE hallways and will be moving into the small gym soon. In addition, they will be painting some of the washrooms.

As we move into warmer weather (here’s hoping), I would like to remind families of our dress code guidelines. Students are expected to wear clothing appropriate for the school and the learning environment. You can find our Dress Code Guidelines on page 18 of the student handbook/agenda.

As always, if you have questions or concerns about your child’s progress, please do not hesitate to contact their teacher directly. If you have any other questions regarding your child’s educational experience please contact a member of the administration or a counselor.

Sincerely,

D. Tomlinson,
Principal

Monday, May 30

Scholarship Awards Evening (7:00 pm)

Every Day is Anti Bullying Day at LSS

February 23 was Anti Bullying Day across BC. Presentations were made, posters were posted and thousands of pink shirts worn. At LSS we did the same, but we also realize that, although Anti Bullying Day is a wonderful symbolic gesture, the fight against bullying is a 365 day proposition. Every day is anti bullying day at LSS. Every day our anti bullying student committee works at outreach to Stafford and our family of elementary schools. Every day our staff is on the lookout for signs of bullying. Every day, our counsellors work at combating the sources of the problem. Every day our administrators strive to keep LSS bully free. In fact, collectively we make you this promise; if a confirmed incident of bullying is reported to an LSS staff member, we will not rest until that issue is resolved. We want our students to work in a safe, accepting environment everyday.

FINE ARTS NEWS

The LSS Intensive **Dancers** are looking forward to their upcoming trip to Alberta. In May, we will travel to Calgary where we will learn from the masters at "Decidedly Jazz Danceworks." This is one of the few professional Jazz Dance companies in Canada. Not only do we get to dance our hearts out, we also get to experience the new musical of "Little Women" at the Citadel Theatre in Edmonton.

Fine Arts Week @ LSS will take place June 6-9, 2011

Mark your calendars for this week-long celebration of the Fine Arts at LSS....

Monday, June 6th ~ Art Show (5:30 pm), Fine Arts Awards & Highlight Performances to follow

Tuesday, June 7th ~ Evening of Dance & Drama

Wednesday, June 8th ~ Art Show

Thursday, June 9th ~ Music Concert

LSS Art Students Show at the Timms Centre and Langley City Hall

Opening May 5th (6:00 – 9:00 pm)

Our spring musical this year: "**For Old Times Sake**" was a hit! With excellent reviews from audiences, young and old, the revue-style story highlighted many of our talented performers at LSS. The grade 7-12 cast of 85 students was supported by a 6-piece community band and LSS tech crew. They brought to life the classic music of Rodgers and Hammerstein's collaboration from the 1940s & 1950s. The performers saw first hand how much they work can have a positive impact on the lives of others, especially the many seniors who enjoyed the show.

RECYCLE TO HELP OUR PLANET & OUR SCHOOL

Your used inkjet cartridges, laser cartridges, old video games and consoles, digital cameras, laptops, DVDs, iPods, PDAs, GPS Devices and cell phones can get a new life, rather than go into the landfill. Donations can be dropped off in the choral room, room 123 before and after school, or in the box in the front office.

We can recycle the following cartridges:

Inkjet Cartridges: Apple, Canon, Dell, Hasler, HP, Lexmark, Neopost, Microboards, and Sharp
Laser Cartridges: Apple, Brother, Canon, Dell, Elite, HP, IBM, Konica, Lexmark, Muratec, NEC, Okidata, Omnix, Panasonic, Pitney Bowes, QMS, Ricoh, Samsung, Sharp, Toshiba, and Xerox

Does your son/daughter aspire to attend post-secondary after high school?

Are they a good student who wants to be a “GREAT” student; prepared to meet the demands of post secondary and beyond?

Then AVID is the program for them.

What is AVID?

AVID is an elective course intended for students who are on an academic path, who have a strong desire to prepare for and attend post secondary. Within AVID, students will learn to take effective notes, to ask quality questions, to work collaboratively with others, to speak and to present, to listen effectively, to improve academic reading and writing skills, to prepare for and take tests, and other academic survival skills. Students will become a ‘community of learners,’ led by their AVID teacher and mentored weekly by university and/or LSS senior student tutors. Also of focus will be understanding the requirement of post secondary, how to apply, as well as preparing one’s resume of experience for applying for numerous scholarship opportunities. Field trips to these institutions and featured representative speakers will be part of the AVID experience.

We are taking applications from current Grade 8 students for AVID 9, as well as for available spaces in AVID 10, 11 and 12 classes for Fall 2011.

Apply Now

Contact Mr. Lewis (LSS Counsellor and AVID Coordinator)

dlewis@sd35.bc.ca or 604-534-4171

Hey LSS! Have you ever experienced bullying? Whether you have been a target, a person who bullies, or a bystander who has witnessed bullying, there is always something you can do ... and our anti-bullying group facilitators are ready and willing to help out! Over the course of this year we have had training through Red Cross/Respect Ed, given presentations to the HD Stafford grade 7 & 8 students during "A Taste of LSS," and are planning workshops with our elementary feeder schools later this month. We can give you tools, skills, resources or strategies to cope with bullying situations. If you're interested in taking part - contact Mr. Lewis, Ms. Stewart-Lee, Ms. Pulice or Ms. Clarke in the Counselling Office. The anti-bullying group wants to continue to positively influence others and encourages you to join us. (ABG grade 9 members: Sydney Scott, Sierra Dahlseide, Alicia Harris)

International Students Ski Trip

On February 17 – 19, 2011 the International Students had an opportunity to experience some sun, fun and cold at Sun Peaks resort. They stayed in luxurious accommodations at a hotel located right at the base of the runs. They were joined by three other schools as they traveled by coach, took lessons and ate their meals.

The days were spent skiing, boarding and shopping. Evenings were spent in the hot tub, socializing, swimming, and some sleeping. A good time was had

by students and chaperones alike. They are looking forward to next year's adventure.

Two LSS Students went to Hockey Provincials...

Congratulations **Christina Mavritsakis** (Gr. 12) and **Chelsea Wilson** (Gr. 9). Their hockey team, the Langley Lightning, won the Girls BC Hockey Midget Provincial Championships held in Invermere, BC during spring break, March 19 – 23.

This is Christina's last season; Chelsea is headed to BC U16 Championships in 100 Mile House this week March 31st – April 3rd.

LSS Wrestling News ... Another Successful Season for Langley Secondary Wrestlers

Over the past three years, LSS has offered a wrestling program for both boys and girls in all grades. These students come together to practice with students and coaches (Duane Kroeker, Michael Munsie, and Pamela Haugland) from a few other schools in the district. Over the course of the season, we attended a number of smaller local tournaments, as well as some major tournaments (SFU's War on the Floor and the BC Provincial Championships) that attract wrestlers from all around BC. As a team, the boys ranked first and the girls second at the Abby Invitational Tournament, and our girls team also ranked third at the Fraser Valley Junior Championships this year.

February marked the last month of wrestling for most with the arrival of the Upper Fraser Valley Championships and the BC Provincial Championships. The Upper Fraser Valley Championships act as the qualifiers for the Provincial Championships and, along with the Provincial Championships, are unique in that students are only divided into weight classes (not into age classes as well). At the Upper Fraser Valley Championships, *Dakota Vegh* brought home a silver medal, *Dillon Doherty* clenched a fourth place finish, and *Richard Candiago* fought his way to fifth and all qualified for the Provincial Championships. In the girls competition, *Maddie Millsip* took the silver, *Emily McLean* took home a bronze, and *Melissa Godfrey* came through with a fifth place finish. These results qualified Maddie and Emily for the Provincials as well. All qualifying wrestlers did attend the Provincials. The first day of competition was a long one with many great matches over the day. The LSS wrestlers put their best feet forward. The competition was fierce, though, and, at the end of the day, only one wrestler remained in the competition. Maddie Millsip returned on day two to wrestle to more times and secure her 5th place finish in the province.

The Provincial Championships marked the end of the season for the LSS team, but Maddie continued to practice outside of school in preparation for the Juvenile National Wrestling Championships in Windsor, Ontario on April 8th and 9th. Her hard work paid off as she battled some of Canada's top female wrestlers for a 6th place finish in Canada. Outstanding!

Congratulations to all LSS wrestlers on a great season -- it takes all of you to make the team successful. We'd also like to express our great appreciation for all of our parent volunteers -- we couldn't do this without you. All of the coaches are looking forward to what next year brings. If you, or someone you know, are interested in wrestling next year, watch and listen for details in October.

Maddie Millsip: **5th at BC Provincials**
6th at Nationals

Saints Back to Belize 2012!

After the success of the Belize volunteer project in 2010, the organization, Reto Juvenil Internacional (RJI) and the Belize Rural High School have asked for our return during spring break of 2012. Our first project was the first of its kind in Belize with RJI and because of our work the school has received funding for a number of projects that we will work on during our next trip.

After one of our workshops, we initiated the founding of a youth association that applied and was approved for funding for a poultry pen to raise chickens to sell for student scholarships. One of our goals on this next project is build this poultry pen and aid in students fulfilling their dreams of post secondary education.

Our students will also be helping to repair structural damage to the school and lead new workshops helping to educate and develop the Belize youth. I have no doubt that the next project will be as successful as the previous one. We already have close to 30 students excited and ready to go!

If you are interested in helping our fundraising efforts please contact Mr. Carlyle at mcarlyle@sd35.bc.ca

Senior Girls' Soccer Team

TAYLOR BURGESS #13
Photo taken by: Emily Cantera

Goal keeper, *Jaclyn Decambra's* 2nd game of the season and she has already clinched her first shut out with help from her strong defensive team, *Des Wallace, Megan Shargool, Ali McQuisten and Lindsay Lauener*. Control coming from the middle's *Taylor Ahonen* and *Sam Scott* kept the ball moving up the field to *Ellena Benacchio* who had a beautiful cross to striker *Mariann Monagas*. With pressure upfront from *Julia Lomax* and *Makayla Burgess* in the last minutes of play we put the opposition's keeper to the test. With 4 great shots and a scrabble in the 6-yard box, the whistle signified we ran out of time before we could put one away. Final Score 0-0.

PATRICIA MITCHELL #20
Photo taken by: Emily Cantera

The Senior Girls' soccer team has kicked off the season with some very close games. After a few rocky starts, only to pick up the intensity for the remainder of the games, we have a record of 2 Losses, 1 Tie and lots of wins to come. Come out and support LSS Senior girl's team with 5 games left in the season.

-Miss Clarke and Miss Cochrane

KATHLEEN EHMAN #18

HOME GAMES:

- Wed. April 13th vs Walnut Grove
- Wed. April 27th vs Abby Christian
- Mon. May 2nd vs WJ Mouat

AWAY GAMES:

- Wed. April 20th @ Brookwood

Gymnastics

This spring *Austin Beer* competed for LSS at the BC High School Gymnastics Championships in Delta. Austin competed as a level 4 athlete and placed 7th all around, with an 8th on Bars, 7th on Beam, and 4th on Floor. Austin was the only representative from Langley at Provincials and made us all proud.

Congratulations to Grade 12 Student: *Gabrielle Starr*

Gabrielle received the Violet Richardson Award for 2011. We are so proud of her accomplishments in the school and in the Langley community.

Gabrielle is very involved in social justice issues and in fact, started a Social Justice club at LSS last year. She created the Night to Light Walk which raised \$30,000 for the Uganda crisis and received the LTA Status of Women Hero Award in her grade 9 year. In grade 10, she was nominated for the YMCA Power of Peace Award. She is a Sunday school teacher at her church, and teaches piano to 11 different students each week. She volunteered this past summer at the Rockridge summer camp, and then she headed to the Pearson Leadership camp for the remainder of the summer. She is involved in the Fine Arts Intensive Program at LSS, and is a talented actor, singer and musician. Despite her busy schedule, she maintains a place on the A Honour Roll every semester.

The Violet Richardson Award is given to young women whose volunteer activities make the community and world a better place. The award is in honor of the president of the first Soroptimist club, Violet Richardson, a woman of action, whose indomitable spirit and sense of personal responsibility were demonstrated by her lifelong commitment to volunteering in her community.

All awards are given for activities conducted on a volunteer basis. Volunteer projects can include, but are not limited to, projects that address social problems such as homelessness, violence, drug abuse, unemployment, illiteracy, discrimination, AIDS, and pollution. Projects may assist any group including the elderly, the disabled, and mentally or emotionally challenged groups.

Projects that benefit women or girls are especially valued. Topics can include, but are not limited to mentoring, sexual harassment, sexual decision-making, teen parenting, careers, finances and any other projects that specifically benefit women, young women or girls.

This award is based solely on the applicant's volunteer work. This award is an opportunity to honor a girl who might not otherwise receive recognition. She may not be the best student, the best athlete, or the most popular girl in school, but she is committed to making the world a better place.

Who is the Violet Richardson Award Honoree?

A young woman who is caring, compassionate, creative and most of all committed to making the world a better place.

A young woman who has demonstrated initiative in both identifying a problem and in trying to solve it.

A young woman who has had significant and noteworthy accomplishments as a volunteer.

Congratulations to grade 12 student, *Desiree Wallace* who was nominated for the Langley Township's Pete Swensson Award.

She was honoured at the Langley Township Awards Night on April 7. We are very proud of the good work that Desiree has done both in the school and in the community.

The Pete Swensson Outstanding Community Youth Award is given to a Langley student in Grades 8 to 12, from one of the area's secondary schools, in recognition of his or her athletic, scholastic, and community efforts. Personal qualities such as leadership, work ethic, and initiative play a major role in the evaluation process.

Desiree has been involved in our Student Leadership class for the past two years. She has contributed over 150 hours of her time to organize school events and activities including school dances, food drives, school spirit weeks, theme days and inter mural sports. She has been an active member of the LSS Grad Council this year which organizes events and activities for grads. Prior to Christmas, Desiree helped organize our Adopt a Family project for the Christmas Bureau.

She not only contributes to the LSS school community through leadership activities, but she is very involved in the Fine Arts Intensive Program at the school. She is a talented visual and performing artist. She has participated in Fine Arts presentations such as our musical theatre productions, art shows, and drama productions. She has been on the A Honour Roll since Grade 8 and has been a member on the Volleyball, Soccer, Basketball and Cross Country teams at LSS.

Desiree's commitment to making a positive difference in the world was demonstrated most clearly last year. Desiree traveled to Belize with other students from our Social Justice class. Their mission was to help out a rural school in a myriad of ways. This was much more than a mission to help; it was a life changing experience.

IMPORTANT INFORMATION FOR GRADUATES AND FAMILIES

Please check *Saints Scoop* or the school website (www.langleysecondary.com) for the most up-to-date Grad Information.

Are You Graduating?

We are drawing near to the review date to determine which grade 12 students are “in a position to graduate.” **Only those students who are in a position to graduate will be permitted to participate in the Graduation Ceremony on June 1st.** The date that each potential graduate will be reviewed is **May 1, 2011**. At that time, if a student is not in a position to graduate, they will be removed from the graduation list and not permitted to participate in the Graduation Ceremony in June 2011.

Criteria for Being in a Position to Graduate

- Student must have completed or have a reasonable expectation of completing 80 credits (48 credits for required courses, 28 elective credits, and 4 credits for Graduation Transitions). 16 of these credits must be at the grade 12 level.
- Any courses in progress outside of Langley Secondary must be 80% complete with a passing grade as of May 1, 2011.
- Any courses in progress at Langley Secondary must have a passing or near passing grade as of May 1, 2011.
- Graduation Transitions 12 must be complete by May 1, 2011.

GRAD Fees (\$60)/ Student Fees (\$25)

Students' grad and student fees must be paid to the office prior to receiving/purchasing tickets for the Graduation Ceremony or the Graduation Dinner & Dance. Guests of students will not be able to purchase tickets until outstanding fees are paid.

Ticket Information

Each graduate will receive 3 free tickets in early May for the Graduation Ceremony. If there are any tickets that you are not planning on using, please return them to the office. There are graduates with large immediate families that would love the opportunity to pick up extra tickets for family members. Please return any tickets you are not planning to use by **Thursday, May 12**. **Do not lose these tickets.** You will need to submit them at the door to gain access into the venue. The seating is general so the seats are first come first served.

Graduates who are requesting additional tickets, need to fill out a form in the office. A fair and equitable system will be used to distribute extra tickets. The distribution of extra tickets will begin with 1 extra ticket per family that requests additional tickets. Forms must be submitted by **Thursday, May 12**. The cost for additional tickets is \$10 each.

Schedule for Wednesday, June 1

8:30 am – 10:00 am **MANDATORY** Rehearsal for all Graduates at Christian Life Assembly
6:00 pm **ALL** graduates must be at CLA in the gym (please dress accordingly)
6:15 pm Doors open to guests with tickets
6:45 pm All guests must be seated
7:00 pm Ceremony Begins

Students' graduation gowns will be distributed **Monday, May 30 and Tuesday, May 31** from the main office. Gowns will be collected immediately following the ceremony so there will be no opportunity for photos in gowns following the ceremony. Please have these photos taken prior to the ceremony. Gowns returned after that evening will have a surcharge added for shipping.

Graduation Dinner & Dance – Friday, June 3, 2011 (Coast Hotel & Convention Centre – 20393 Fraser Hwy.)

***If a student has any allergies/dietary concerns, they need to speak with Mr. Roberto by May 16.**

- Students must arrive at the venue by 5:30 pm
- Student and Guest (Including Parents) Tickets: \$65 per person
- We have a commitment to fill seats for dinner first. If we reach our commitment we will release tickets to parents for dessert/coffee only.

Purchasing Tickets for Graduation Dinner & Dance: Ticket Forms will be available at the office starting **Monday, May 9**. Banquet tables are arranged with 10 seats. If you would like to sit together as a group, you must pick up a ticket form in the office and complete it with the names and collect all monies, and return everything to the office before seats can be assigned. Once seats are assigned, the student leader will be called down or parents will be called to pick up tickets. All **student guests** require a guest pass submitted and approved prior to the purchase of a ticket.

Global Partners

Langley Secondary School has been developing a close relationship with Global Partners, a non-profit organization that provides educational opportunities for Japanese students here in Canada. For several years now, LSS has hosted school visits by groups from Japan, with our students getting to know Japanese students and learning about their culture. We usually conduct interviews where our students ask questions in Japanese, and the Japanese students ask questions in English.

In March this year, we experiment with Global LSS Japanese classes with Japanese high Canada through Global the Georgia Cannery in the fishing industry, Aberdeen Centre in modern Asian culture day Greater fieldtrip itinerary was part of the fieldtrip the whole together with high school We hope to another together with Partners year.

Finally, students are opportunities volunteer Partners summer and school They gain work enjoy group and even get top of all of LSS students strong

with students all around Japan, and are putting their Japanese language skills to practice in continuing to communicate with them. It's a real joy to see the positive impact that the relationship between LSS and Global Partners has had on so many of our students.

Freedom from Thirst

The Helping Heroes Social Justice Club, here at LSS, is taking on a clean water project. They are aiming to fundraise \$5,000 to adopt a village in India through Free the Children and provide them with the funds to implement a proper water filtration/sanitation system. They will be selling stainless steel water bottles at lunch time on Mondays, Wednesdays and Fridays in front of the office. For more information and upcoming events, email desireewallace.xo@hotmail.com or gabrielle.starr@hotmail.com. Thanks for your support.

had another interesting Partners. Students from did a fieldtrip together school students visiting Partners. First we toured Steveston to learn about and then we visited Richmond to see flourishing in present-Vancouver. The good, but the greatest experience was doing thing Japanese students. plan fieldtrip a Global group next

many LSS also getting to work or with Global during holidays breaks. valuable experience, amazing activities, sometimes paid. On that, many have made friendships
